

Features:

- Removable baseplate for rigid and simple installation of the pump
- Removable mounting angle steels for optional wall or floor installation
- Vibration dampers for acoustic decoupling
- Including mounting accessories
- Corrosion-resistant stainless steel baseplate
- Rubber-made vibration dampers
- Powder-coated angle steels

Application:

- For vibration-free mounting of the pumps CPS 15/20/SM (item no.: 19106) and 25 (item no.: 19107)
- For wall or floor mounting

Product benefits:

- Optimum acoustic decoupling by rubber-made vibration dampers
- Fast and flexible assembly due to simple construction and removable angle steels
- suitable for the pumps CPS 15/20/SM/25 due to the multiple mounting holes on the baseplate.
- Long lifetime due to corrosion-resistant materials
